Shukur Huseynli, Frontend Developer

Hardworking **Frontend Developer**. Knowledgeable in user interfaces, responsiveness, debugging processes, able to work independently with HTML, CSS & JavaScript technologies. Loves learning new things in technology field. Also effectively self-manage during independent projects, as well as collaborate in a team setting.

Experience

Project Manager, Baku

October, 2022 - October, 2022

I worked as project manager in Algoritmika boot camp's HTML & CSS module project (a boot camp website) <https://github.com/Cannibalhulk/modul-1-algoritmika-layihe>

- I build the website's about section.
- On final day we hosted our website in Netlify.
- I collaborated with my project mates via the Slack app, also tried to approach each of them individually as I can.
- We performed well time management skill.

Education

Bachelor's, Azerbaijan State University of Oil and Industry, Information Technology, Baku

September, 2020 - Present
