Shukur Huseynli

Frontend Developer

✉ huseynlisukur000@gmail.com   📞 +99450 670 27 56   ⦿ Baku, Azerbaijan

Knowledgeable in <u>user interfaces, responsiveness, debugging processes,</u> and able to work independently with HTML, CSS, JavaScript & React technologies. Loves learning new things in the technology field. Also effectively self-manage during independent projects, as well as collaborate in a team setting.

Core Competencies

• HTML5 & CSS • JavaScript • TypeScript • React • Next.js • Redux • Axios • CSS Modules • TailwindCSS • MySQL • Node.js • RestAPI • Firebase • Git • Jira • Figma • Adobe Photoshop

Technical Skills

• Technical Support • Web development • Search Engine Optimization (SEO)

Experience

Frontend Developer   January 2023 - May 2023

Company: MonoFi

- Primary Responsibilities at MonoFi: Building company website according to Figma design with the collaboration of other developers.
- Quantifiable Accomplishments: Actively engaged in code reviews and provided constructive feedback to **improve development practices by 20%.**
- Key Hard and Soft Skills Utilized: Strong <u>code debugging</u> skills and proficiency in testing to create test cases, developed communication and presentation skills when presenting findings to the team.

Project Manager   October 2022 – November 2022

Company: Algoritmika

- I worked in and **managed a 5-person team** as a project manager in Algoritmika boot camp's HTML & CSS module project. Built the website's <u>About</u> section.
- On the final day, we hosted our website in **Netlify**.
- I collaborated with my project mates via the Slack app and tried to approach each of them individually as I could.
- We performed well with time management skills.

Education

Bachelor's of Science in Information Technology   September 2020 - July 2024

Azerbaijan State University of Oil and Industry

Certification

React - Basic   2023

HackerRank

Java Programming   2023

Great Learning

Frontend Web Development   2022

Algoritmika
